Very dear Sister Rachel

I and my wife &
Dudley came down after Sarah to take
her to our little Cabin on her land in
Holmes County nearly one hundred
miles from this. We found Mr &
Mrs More well; and little Mary my Grand
Daughter is well. The Wells family are
well except Mrs Wells she is in declining
health. They and all the members of the
Episcopal Congregation also paid you attention
while here remember her & speak of you with
great respect & kind regards.

We set off on our journey back this morning
in a few minutes. I am therefore pressed for time
& can therefore only tell you that I am writing

The little which I think & know we
A Voice from the grave ^{should be}

of one who was murdered

by a

Conspiracy of the Teachers of

Kenyon College &

buried by the Convention of the P.E.P.

A 1831.

Yours affectionate Brother

Phi³ Chase

I thank you & love you exceedingly
for your most excellent letter. God does
indeed support me and comfort me.
My wife joined me in writing a long
letter and it is gone for George. Tell us

We pray you - if you rec^d it?

Fr. Brother Denison

You say I did wrong in
retiring from the Episcopate of Ohio - I
answer. I would ask who is to stay in a house
where no flames and the roof falling in about
his ears? The world I trust will soon have
reason to justify my conduct: and I hope
when you see the whole matter both you
and all my Friends will do me justice
by relieving me from your censure.

I thank you dear Brother
for your kind remembrance of me
so unworthy as you -

Brother Philander
